STUDENTS FEEDBACK AND GRIEVANCES SECTION
USER MODULE

Welcome to the *Student Feedback and Grievances Portal*!

This guide is designed to walk you through the platform features for each user role: **Student**, **Faculty**, and **Admin**. It is built for ease of use, anonymity (where required), and effective communication within the department.

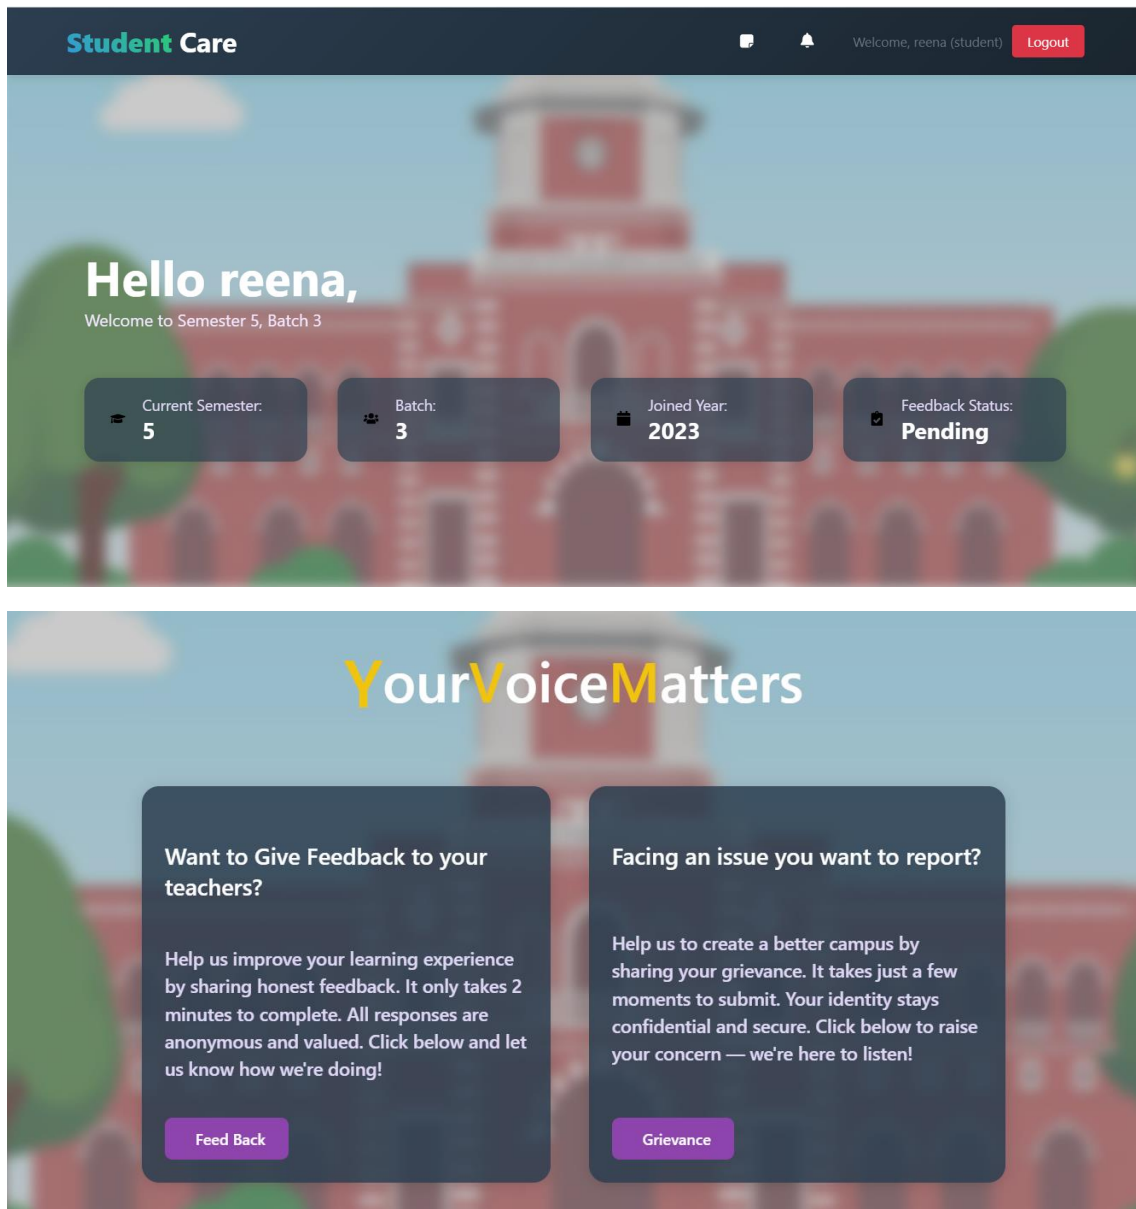

STUDENTS SECTION

Login page:

To login to the student's section, enter your registered number/student ID. The default password is the student's first name in lowercase concatenated with the last 4 digits of the student's ID. The password can be changed later.

Student dashboard:

After successful login, you will see a personalized student dashboard showing:

- **Welcome message** with your name.
- **Current Semester:** Displays your ongoing semester.
- **Batch:** Indicates your batch number.
- **Joined Year:** The year you enrolled.
- **Feedback Status:** Shows whether your feedback submission is Pending or completed.

You can also access dashboard controls such as notifications and logout.

On your main dashboard, there are two options under the header YourVoiceMatters:

- **Feed Back:** Click the **Feed Back** button to complete the feedback form. Share honest, anonymous feedback about your courses.
- **Grievance:** Click the **Grievance** button to file your concern. Your identity remains confidential.
